Preserve your Benjamin Logan legacy in stone

Benjamin Logan wishes to recognize those that have played important roles in the high school's heritage. We are adding a Raider Memory Walk to honor individuals, teams, groups and alumni that have walked through the halls of Benjamin Logan.

The memory walk will be located inside the football stadium, north of the pass gate on the home side.

This memorial project began with the love and support of our community in memory of #20 Robbie Smith and #8 Wyatt Smith. We hope that you will consider engraving a brick to honor former Raiders and those that have served the Benjamin Logan Community.

Thank you to Alexander Concrete, Marker Construction, Neer Sand and Gravel, and Ohio Ready Mix for supporting this project.
