COLLEGE APPLICATIONS

The following are guidelines that students need to follow when submitting a college application.

1. Online Applications. You will need to contact a School Counselor should you be completing an online application. They will ensure the application is accurate and send any necessary documents (transcript, test scores, etc.)

CAMPUS VISITS

GUIDELINES
The following are guidelines that students must meet in order to take college visits:

1. Juniors and Seniors are permitted two campus visits.

2. Students can schedule visits online. Notify the guidance office of the visit to receive paperwork needed for the visit. **The paperwork needs to be signed by a parent and your teachers prior to your visit. Please do not wait until the day before your visit to get this paperwork.**

3. **The campus visit will be counted as a school activity as long as the Campus Visitation Verification form is returned to the Guidance office within three days after the visit. Failure to do so will result in an unexcused absence on the visitation day.**

4. **No visits will be scheduled the first and last two weeks of each semester. Students that attend during this time will not have the day excused as a college visit.**

5. For additional information, see a counselor.
